

RLHS UPDATES

PRINCIPAL'S CORNER

Thanksgiving has come and gone, and my sincerest hope is that you and your family had some wonderful times together over break to relax, enjoy time together, and perhaps reflect on those things for which your family is thankful. In this year of transition for our school, I find myself grateful for so many things...

- great students with strong character that fill our hallways and classrooms
- supportive parents that engage with our school to benefit each child
- strong teachers that teach, encourage and hold accountable each student
- aides, secretaries, and custodians that meet each child's needs and keep our buildings clean each day
- an awesome StuCo (Student Council) team that spreads cheer throughout the building and hosts various events
- Fine Arts programs that develop skills that will benefit students throughout life
- Athletics programs and opportunities for our students
- E-Sports and Dungeons & Dragons clubs for students to connect

Each and every day there is so much to be thankful for in our school. As we move forward from Thanksgiving and into the Christmas season, let's remember to continue being grateful for the things that matter most in our lives.

Food Drive

The RLHS is hosting the "Great Grocery Grab" Food Drive this week

December 2nd - December 9th

A variety of items are being accepted to support our local food pantry:

- Dry cereals
- Pasta and sauces
- Canned Fruits & Vegetables
- Soups
- Rice & Beans
- Pet Supplies
- Toiletries
- Monetary Donations

Donations can be placed in the box in Ms. Hoogland's room. Thank you for your support and generosity by giving to those in need this holiday season.

Winter Clothing Swap

The Rib Lake Village Hall hosts a Winter Clothing Swap. If you or your children are in need of winter jackets, snowpants, hats or gloves, please stop by. These are items that have been gently used before being donated and are available free of cost.

Holiday Fun

On Friday, December 20th, RLHS will be having a shortened bell schedule for the day and then hosting various student activities in the afternoon. This is a great way for students to connect with their friends before heading off to break.

Students on the D/F list will be provided a quiet study area for the first hour before joining the rest of the school activities at 1:30.

In Case You Missed It...

The following information was sent out previously via a JMC email. In case you missed it, we wanted to include it here:

Dear Parents,

At RLHS our mission is to provide the highest quality education for every student in a responsive and enriching classroom environment. In order to deliver the rigorous academic content all students deserve, we need to ensure a safe and orderly learning environment. As we have turned the corner into Quarter 2, we have noticed an increase in student behaviors that warrant a before/after school detention. As such, I wanted to share out to all parents our detention procedures:

- Detentions will be scheduled Tuesdays from 3:30-4:30 p.m. and Thursdays from 7:00-8:00 a.m.
- Students are required to serve detention within 3 days of it being assigned. As such, a student's detention will always be scheduled for the soonest available time slot.
- Each family is responsible for coordinating transportation to before school detention and home from after school detention for their child.
- Failure to attend detention will result in an increased consequence.

For more information, please review the behavior and attendance policies with your child in the [RLHS Handbook](#). Common reasons students may receive a before/after school detention include:

- Behavior that disrupts the learning environment
- Repetitive/Habitual Minor Behaviors
- Inappropriate language
- Excessive Tardies

You will be notified via a phone call if your child is assigned a before/after school detention.

Thank you for your understanding and support of our school system as we work together to promote positive character for all.

Sincerely,

Aimee Blomberg
