Dear Citizens of the School District of Rib Lake,

I would like to invite you to attend the Rib Lake School District's Annual Meeting at 7:00 pm on Monday, October 28th, 2013. The purpose of the Annual Meeting is to provide district residents with an opportunity to give input into the operation of the school district. Additionally, the district representatives provide information related to achievements, needs and the future of the district.

The school board is charged by statute with the care, control and management of the property and affairs of the school district. However, this charge is subject to the authority vested in the annual school meeting. The powers vested in the annual school meeting are, for the most part, set forth in s. 120.10 of the Wisconsin state statutes.

This booklet contains information about the school district and the budget. Creating a school district budget requires balancing two important principles: offering the best learning opportunities for our children while being fiscally responsible. While a budget outlines where the money comes from and where it goes, it also creates the framework for student success in the classroom, in school activities, and ultimately in the community. Community support and tax dollars make these successful achievements possible.

Citizens who attend the Annual Meeting will be asked to approve a levy to support the budget for the budget year that began July 1, 2013. However, the state does not certify equalized value to set the tax levy until October 15th and this year there was a last minute bill by the Governor that pushed this date back to October 23rd. This means that some of the figures in this booklet are based on educated assumptions. Therefore, at the Annual Meeting, final numbers for Resolution A on the meeting agenda will be presented. By statute, the Board of Education then has until November 1 to formally adopt the budget and officially set the levy. They have set this meeting to follow the Annual Meeting on Monday, October 28th at 8:00 pm.

We continue to celebrate the quality of the students produced by the School District of Rib Lake. The achievements demonstrated by Rib Lake students are evidence of the outstanding collaborative efforts of our parents, students, and staff. We will work together to assure that these successes continue.

Please review the enclosed materials and plan on attending the Annual Meeting. If you are unable to attend and have questions, don't hesitate to contact me or a board member.

On behalf of the Board of Education and myself, thank you for your continued support in educating our youth of our district.

Lori A. Manion District Administrator

SCHOOL DISTRICT OF RIB LAKE BUDGET HEARING & ANNUAL MEETING MINUTES OCTOBER 22, 2012 7:00PM – ELEMENTARY MUSIC ROOM

The Budget Hearing was called to order at 7:00pm by President Blomberg followed by the Pledge of Allegiance.

Introductions: Blomberg introduced the Board Members and Administrator Manion to the meeting attendees. The retired teachers and staff were asked to stand up, there were ten present.

Election of Chairperson: Ned Orthmann nominated Jerry Blomberg for Chairperson of the Budget Hearing and Annual Meeting. Mary Ann Rusch seconded. Being no other nominations, RollieThums made a motion to cast a ballot for Blomberg. Mike Thums seconded. Motion carried by voice vote.

Approval of minutes of Annual Meeting held October 24, 2011. Pat Gilge made a motion to approve the minutes of the Annual Meeting of October 24, 2011. Mary Ann Rusch seconded. Discussion ensued. George Zondlo requested that the section on the professional staff salaries be removed from the minutes. Blomberg responded that was not possible because it was voted on and therefore needed to be recorded. Motion carried by a 30-1 voice vote. Note: At the October 11, 2012 Rib Lake Board of Education Meeting, it was determined that the motion made by an elector at the October 24th, 2011 Rib Lake School District Annual Meeting regarding removal of teacher names and salaries from the Annual Meeting packet was not properly within the annual meeting's scope of authority and therefore the resulting vote was not legally binding on the board.

Financial Report and Audit Summary for 2011-12: Administrator Manion gave an overview of what the purpose of the Budget Hearing and Annual Meeting was and what the Board is able to do at the meeting. Administrator Manion had a power point presentation to go along with the handouts explaining the WKCE testing and comparing it to the new NAEP testing that will go into effect in 2014. The power point presentation included charts and graphs supporting the information on the 2011-12 audit. The good news was the district did not have to take from the Fund Balance. Retirees and no large unexpected expenditures attributed to coming out ahead of our budget.

Presentation of and Hearing on Proposed Budget for 2012-13: The proposed budget was presented by Administrator Manion - no discussion or questions followed.

Chairperson Blomberg explained that the resolutions that needed to be voted on are A - C regarding funding and D-L regarding other matters. He stated that each Resolution would need a motion and a second. Discussion would be allowed and then voted on by voice vote.

Resolution A (General Fund levy): Russ Blennert made a motion to levy a tax of \$1,868,800 for the 2012-13 General Fund. Mike Thums seconded. Motion carried by voice vote.
