Dear Citizens of the School District of Rib Lake,

I would like to invite you to attend the Rib Lake School District's Annual Meeting in the elementary music room at 7:00 pm on Monday, October 27<sup>th</sup>, 2014. The purpose of the Annual Meeting is to provide district residents with an opportunity to give input into the operation of the school district. Additionally, the district representatives provide information related to achievements, needs and the future of the district.

The school board is charged by statute with the care, control and management of the property and affairs of the school district. However, this charge is subject to the authority vested in the annual school meeting. The powers vested in the annual school meeting are, for the most part, set forth in s. 120.10 of the Wisconsin state statutes.

This booklet contains information about the school district and the budget. Creating a school district budget requires balancing two important principles: offering the best learning opportunities for our children while being fiscally responsible. While a budget outlines where the money comes from and where it goes, it also creates the framework for student success in the classroom, in school activities, and ultimately in the community. Community support and tax dollars make these successful achievements possible.

Citizens who attend the Annual Meeting will be asked to approve a levy to support the budget for the budget year that began July 1, 2014. However, the state does not certify equalized value to set the tax levy until October 15<sup>th</sup>. By statute, the Board of Education then has until November 1 to formally adopt the budget and officially set the levy. They have set this meeting to follow the Annual Meeting on Monday, October 27<sup>th</sup> at 8:00 pm.

We continue to celebrate the quality of the students produced by the School District of Rib Lake. The achievements demonstrated by Rib Lake students are evidence of the outstanding collaborative efforts of our parents, students, and staff. We will work together to assure that these successes continue.

Please review the enclosed materials and plan on attending the Annual Meeting. If you are unable to attend and have questions, don't hesitate to contact me or a board member.

On behalf of the Board of Education and myself, thank you for your continued support in educating our youth of our district.

Lori A. Manion District Administrator
